

In November, our school and Reverb Church will partner together to supply Thanksgiving baskets for families in need. We will give twenty five baskets to deserving families. Each family that is selected is referred by our guidance department. In addition, the Physical Education Department is hosting the 6th Annual Turkey Trot on Friday, November 17th during P.E. classes. Students will participate in a 2-mile fun run around the Pacetti Bay grounds.

Student Council is sponsoring our 1st Change for Change Campaign. This fundraiser campaign to help provide donations for the “Clothes Closet” for a local elementary school. The fundraiser will last one week November 27th - December 1st. Students can participate by bringing a donation of pennies, nickels, dimes and quarters. Change will be collected in homeroom.

Pacetti Bay students will host a toy collection December 4th –December 8th. In the past our students have presented hundreds of toys to students across this district. This year we are supporting a local elementary school with the following items: toys, puzzles, new socks, new underwear (sizes small to extra-large) new socks ranging from kids 13 to size 10 in adults and host of other items. Please bring unwrapped donations to your child’s homeroom teacher. We are proud of our students' generosity, of their willingness to think of the needs of others, and for the way they give back to the community during the busy holiday season.
