Upcoming 6th-8th graders will participate in our summer reading program by playing our Olympic Reading Bingo game. To complete this assignment, students are to complete at least five boxes from the bingo sheet in order to finish an entire row, column, or diagonal. Clearly mark each of the boxes completed to achieve a “bingo” and fill in any required information. Once completed, students must have a parent/guardian sign the bottom of this page verifying that they have completed each box. Completed assignments must be turned in to your homeroom teacher by Friday, August 19th.

All students who successfully complete their Summer Reading assignment, and turn it in on time, will earn an ice cream reward during lunch on a date to be determined.

Students will qualify to be entered in a drawing for medal prizes by first completing a row, column, or diagonal, then completing additional boxes as follows:

- **Gold prize:** complete 20+ boxes to be entered to win up to $20 in books*
- **Silver prize:** complete 15-19 boxes to be entered to win up to $15 in books*
- **Bronze prize:** complete 8-14 boxes to be entered to win up to $10 in books*

* Winners will select books from Amazon.com for the Media Specialist to order for them
