The current balance is \$0.

- *Needs Assessment Surveys:*

Our annual Parent Needs Assessment Survey is now available on the PBMS website. SAC will review the survey results at the May meeting. As an incentive for participating, parents can print a page at the end of the survey for their student to turn in for a reward to be claimed on 2/7/14 or 3/7/14.

- *Faculty Spotlight: PE*

Our fabulous PE team is made up of Meghan Ryan, Dan Hawkinson, and Kimberly Schwenk. "New School" PE is more academic. Our PE teachers do an amazing job balancing physical activity and academics. They incorporate many opportunities for students to write in their notebooks and do projects.

- *IB/MYP Community Service*

Our students have created folders to house their IB community service forms and are tracking their progress in homeroom once a month.

- *Good News: Presented by Kelly Jacobson*

Two of our teachers, Katie Jackson and Brook Sanchez, are relocating and therefore leaving PBMS. They will both be missed. We need FCAT proctors. If you are able to help, please call Susan Green. Many of our 8<sup>th</sup> grade students will be leaving for Washington DC this Sunday. Congratulations to Jack Blocker who was named our Support Employee of the Year! Our Teacher of the Year, Meghan Ryan, and Rookie Teacher of the Year, Dan Hawkinson, will be recognized at the January 14<sup>th</sup> school board meeting. We are excited to welcome Kristi Brantley to The Bay to replace Betsy Wilson. Our holiday band and chorus concerts were a hit. All new projectors have been ordered, thanks to the PTSO! We had a successful gift card fundraiser before break. Full-day PLC meetings have taken place. These days are powerful as all subject teachers meet to share ideas and best practices. The volleyball teams have been practicing and will have their first games Monday. We are happy to welcome our newest Wildcat baby, Adelyn Hawkinson, to the family! Adelyn was the first baby born in 2014 at Flagler Hospital. After scrutinizing the budget, Sue hopes to have enough money to order 48 additional computers. This would allow for all commons computers to be replaced. Through the Refresh Program, teachers will get new laptops and their old ones will be used to replace older student laptops.

- *Next Meeting Dates:*

The next meeting will be held on February 6<sup>th</sup> at 2:05 pm in the Media Center. The remaining 2013-14 SAC meetings will be held at 2:05 pm unless otherwise noted: March 6<sup>th</sup>, April 3<sup>rd</sup> and May 6<sup>th</sup> at 5:00 pm.
