- *PBMS Principal Search Update: Presented by Kelly Jacobson*

A meeting was held for school staff, parents, and community members to offer their opinions as to what qualities they'd like to see in our new principal. The next step will be to post the position. We hope the new principal will be named and have the opportunity to work alongside Sue before the end of the school year.

- *Spotlight on the Guidance Department: Presented by Laura Teifer*

Laura gave a wonderful presentation explaining the role of the guidance department at PBMS. Guidance "bridges the gap" between home and school and helps the students in the areas of academics, career planning, and personal/social skills.

- *Good News: Presented by Sue Sparkman*

Our Percussion Ensemble had the opportunity to perform at UNF yesterday. Two of our Performing Arts classes will be presenting the musical Oklahoma, one on April 8th and the other on April 15th. Tickets are on sale during all lunches for \$5. School Recognition funds will be distributed in the next paycheck. Our Robotics Club members competed at KIPR STEM over spring break. This was our first year to have this club and to participate in the competition. This year's Battle of the Books took place on April 1st. While we didn't win, our members did a great job and enjoyed the competition. Our Steel Drum band will perform at the next Board meeting on April 8th. Our NJHS students participated in Relay For Life and raised \$1222. Our spring book fair will be open next week, April 7-10th. Davidson Realty awarded our school two grants. Mrs. Hoffman was awarded \$1000 for technology in the classroom and Mrs. Teifer was awarded \$500 for her anti-bullying program. Elective forms were sent out to students for next school year. We are still in need of FCAT proctors. Please contact Susan Green if you can help. We want to thank our wonderful Media Specialist, Lynn Johnson, who is retiring this month, for her passion and dedication to PBMS since the doors opened. Congratulations to our B2 & G2 Think Through Math students who pooled their points to earn a \$50 gift card to Pizza Hut. They had their well-deserved pizza party today. Next week is Volunteer Appreciation week. We'll be

honoring our volunteer of the year, Vicki Padgett, at tonight's banquet. Our senior volunteer of the year is Mr. Iaropoli and our youth volunteer of the year is Kirsten Hubbard. Thank you, we appreciate our volunteers so much!
