

# **Pacetti Bay Middle School Summer Reading Program 2009 - 2010**

Welcome to Pacetti Bay Middle School! We firmly believe reading is the foundation for success and encourage our students to become lifelong readers. Summer reading offers an extension of the reading skills students have mastered throughout the school year, and it prepares them for the upcoming year. Our summer reading program will be based on an individual goal-orientated program. Each student will have a recommended number of pages to read; however, each student will determine their own individual goal. All students who meet or exceed their individual goals will be honored at the beginning of the 2009-2010 school year. Summer reading should be a pleasurable experience for students, so we encourage students to choose titles that are enjoyable and appealing. We also encourage students to select titles from The Sunshine State Young Readers recommended list. This list may be found at <http://myssyra.org/> Parents should monitor student's book choices, and students must seek parental approval of their book selections. The Pacetti Bay Middle School Media Center link on the school webpage has several links with great book suggestions. The recommended number of total pages read will be as follows:

## **Recommendation for RISING 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> graders**

**Sixth graders: 300 pages**

**Seventh graders: 400 pages**

**Eighth graders: 600 pages**

Students will need to fill out the form on the back of this sheet. Parents will sign the form verifying that their son/daughter has read the book. They will return the form to their language arts teacher on August 24, 2009.
