Pacetti Bay Middle School

Mission Statement

Pacetti Bay Middle School aims to inspire within all a passion for lifelong learning and a commitment to personal integrity and academic excellence.

Vision Statement

The Bay exists to provide a safe harbor for all to explore personal pathways to become contributing members of a diverse society.

Character Counts!

The following students were recognized for exemplifying this month's pillar of character, RESPONSIBILITY. Congratulations to the following:

6th grade: Sofia Pinilla, Kylie Anchors, Taylor Carmicle, Landen Kol

7th grade: Brielle Bibla, Victoria Betterman, Conner Taggart, Elizabeth Stokes

8th grade: Sophia Casatelli, Chalsea Vickery, Danil Avetisov, Connor Parish, Daniela Camacho

Please congratulate these students if you know them. We appreciate their willingness to serve as role models to their peers and others by displaying good character in all that they do!

Connor Parish was selected as the 8th grade student to represent Pacetti Bay at the county's 2017 annual Character Breakfast. Connor was chosen by his teachers for exemplifying the six pillars of character. Connor and his parents were invited as guests to the breakfast and Connor was given the opportunity to present a short speech on the pillar of character that is most important to him. Congratulations to Connor for an honor that is well-deserved!

Wildcat Band News

The Wind Ensemble and Jazz Cats perform the Veteran's Salute concert at the PBMS auditorium on November 2, 6 PM for parents and other groupies, to include special guests from The Lassen Veteran's Nursing Home.

The beginning band will be performing a demonstration of what they've learned so far on November 16, 6 PM at PBMS.

The concert band, symphonic band, wind

MATHCOUNTS Math Club Coming to PBMS

Pacetti Bay will have its own MATHCOUNTS Math Club! This is a competition based club that will meet weekly on Fridays from 2-3pm in Portable 13 sponsored by Mrs. Stanfield. The club is open to all 6th, 7th and 8th graders looking for math and problem solving enrichment in a fun environment. Weekly meetings will include fun activities to build creative and collaborative math skills, and will culminate in a school competition in the Spring where 10 members will be selected to compete against other schools. For more information, check out www.mathcounts.org and come to the first informational meeting on Friday, October 27.

**TUTOR
ME**

NJHS Tutoring Begins October 26th

NJHS will offer peer tutoring most Tuesdays and Thursdays from 2-3pm beginning October 26th. Tutoring will take place in Portable 13. While our focus is math tutoring, we offer tutoring in other subjects as well. Any students needing additional help or practice on any subject are encouraged to use this service. We do not offer this service on the second Tuesday of the month due to regular NJHS meetings.

This year we have committed to highlighting our community service efforts. We have one student who has helped to make Pacetti Bay a place of caring. Over the summer, Macey Conrad led an effort at Village Church to start a supply closet for the students of Pacetti Bay Middle School. She was able to collect and donate 31 new pair of shoes, 27 pair of new socks, 12 new backpacks and nearly \$200 worth of school supplies. The total value is over \$5,000 for all items collected.

During the months of August and September the staff and students of Pacetti focused on others. We held our 1st CareBags for Kids Drive, this benefited local children who are battling cancer. Our staff and students donated items that will provide fun distractions and bring comfort to kids during their chemo rounds and hospital visits. Our second initiative focused on reaching out to those effected by hurricanes. Our students and staff contributed over 3,000 items to victims of Hurricane Harvey, Irma and Maria. Their generous donations are being distributed to South Woods Elementary, Humble Middle School in Humble, Texas, and Puerto Rico. Our area was effected by Hurricane Irma. Our school acted as a shelter that focused on helping those who needed critical care during the hurricane. We were able to provide shelter for a total 230 people who were in need of medical care.

Currently, Pacetti Bay Middle School is supporting We Help Two and their partners MEND and LEGWORKS. Our Socktober event provides legs to amputees, who are not able to afford them, giving them a second chance at life. In November, our school and Reverb Church will partner together to supply Thanksgiving baskets for families in need. We will give twenty baskets to deserving families. Each family that is selected is referred by our guidance department. In addition, the Physical Education Department is hosting the 6th Annual Turkey Trot on Friday, November 17th during P.E. classes. Students will participate in a 2-mile fun run around the Pacetti Bay grounds. Our school is committed to serving the community; we look forward to continuing this commitment
