Information of which sponsors should be aware:

1. Unusual reactions or allergies to drugs.
2. Special care needed while on activity.
3. Special instructions to medical personnel if emergency care is needed.
4. Significant health problems of student.

All prescription and non-prescription medication to be administered by trained school personnel during the field study must have an Authorization to Administer Medication form signed by both the parent/guardian and the physician ordering the medication if not already on file in the school clinic. All medication must be received in the original container with current Rx label including student's name, dosage, and frequency of administration, physician's name, and expiration date of medication. All non-prescription medication in the possession of students at the middle and high school level not administered by school personnel must be in the original container and requires written permission from the parent to the school.

All medication and required documentation must be cleared through the **School Clinic** prior to the field study**.**
