

## 2021-22 Getting Started with Schoology Guide

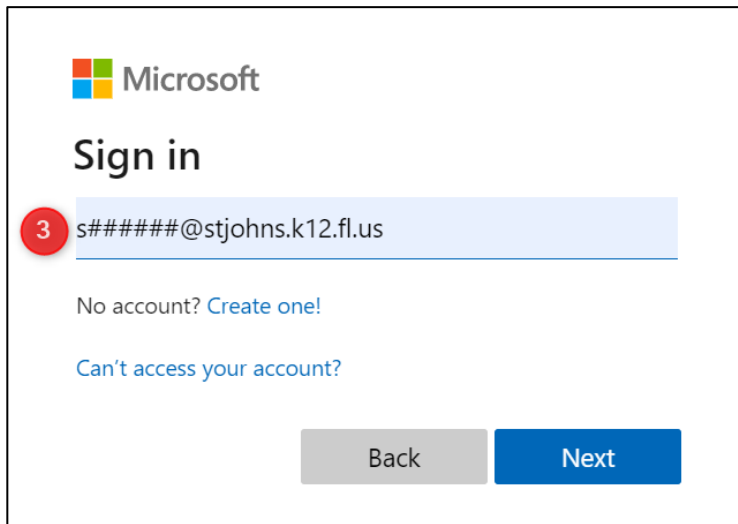

Schoology is our digital learning management system and will be our primary communication tool between teachers and students. Teachers will be posting announcements, calendar events, assignments, and materials in Schoology. Make sure to check your Schoology account regularly. You will need your student number and district password to login.

## Schoology App:

You can access Schoology using the app on your phone and other mobile devices.

*Make sure to follow these directions carefully. You must login through the St. Johns County Schools portal to successfully access your account.*

1. Go to the App Store (Apple) or to the Google Play Store (Android). Download and install the app.
2. Open the app and it will ask for your school or domain. Type in "St. Johns County Schools"
3. A listing will come up and you will want to select this one that has St. Augustine as the city.
4. Login as instructed above.

**Note** > When using mobile devices for Schoology conferences, do not use the app. Instead, access Schoology using the browser on your device and log into Schoology as instructed in Task #1.
