

Dive into summer Reading at PBMS

Rising 6th-8th graders, you can participate in our 2022 summer reading program by reading a book (at least 200 pages) of your choice and completing at least five boxes from the "Bingo" sheet on the next page in order to finish an entire row, column, or diagonal. Clearly mark each of the boxes you complete. Your "Bingo" must include a blue Reading Response Activity box based on a book you read this summer. Once completed, have a parent/guardian sign the bottom of this page verifying that you completed each box as indicated. This form and your Reading Response activity must be turned in to the Media Center by Friday, August 19th to be eligible for prizes.

Visit the PBMS Media Center website for the Reading Response Activity sheets and directions:
