1. Meeting started 2:16pm
2. **Financial update:** There were not any changes to the budget.
3. **John Manias noted:** PBIS funds from last year will be reissued in January. The new Wildcat front door looks amazing. The change to the decal will be a safety prevention issue also. We can see out and others cannot see in.
4. **Ted Talks:** School dance was a success, sold out and the students had a great time. There are 4 days left in the school semester, we all need to finish strong. Fast Testing was improved logistically, hats off to Ms. Sims for the improvements. January, we are generating data for intervention for the students that require the extra assistance in being successful. The pad behind the cafeteria will be replaced during the summer for the students to eat outside. The portable restrooms will be renovated also. We are still short 1 Science teacher. PBMS has 1440 students at present. The year began at 1382. 8th grade has 532 and 6th grade has 512 students this year. Ted posed a question to the committee searching for answers regarding tardies. We tend to punish the student and not the parent that is responsible for tardiness in 1st period. We need to rethink the consequence so we can assist the student to be on time. The school play, Elf, was amazing, great turnouts and great response form all. In addition, all of the performing arts courses had amazing concerts at the school.
5. Shari Blackmon gave some updates on PTSO. Breakfast and treats next week for the staff.
6. Questions from the committee:
7. Meeting was adjourned at 2:54
