

Pacetti Bay Middle School SAC Minutes

February 20, 2025

2:15 PM - Media Center

The meeting was called to order at 2:15 pm by John Manias. Financial update was provided with \$19,082.96 in the account. We discussed the Parent SAC survey. 159 families responded after being sent out twice by Ms. Murphy.

Mrs. Jutte and Mrs. Madora shared information learned from training that was funded by SAC on AI. The shared Magic School AI and showed some features that are used in the math classroom. They asked SAC members to give them concepts and topics and had AI build math questions on that topic. We want to eventually have kids use AI responsibly and morally. The math teachers in the building will be trained in the following weeks on how to use AI in the classroom, and then other subjects will follow with trainings.

Registration for the next school year has begun. All current 6th and 7th graders were sent home course request forms. High schools will be coming to meet with 8th grader student the first week of March.

Next Friday will be a upcoming 6th grade social. The arts night will be held March 13th. Band, Chorus and Theater performance dates will be tba.

The meeting was adjourned at 2:54.
