Call to Order:

A meeting of the Pacetti Bay Middle School Advisory Council was held in the media center on Thursday September 24, 2026. Pacetti Bay principal, Mr. Manias called the meeting to order at 2:16 pm.

Financial Update

Financial Update was provided with a total of about \$20,708.00 in the SAC account.

By Laws and Roberts Rules

We are using Roberts Rules for all meetings as we have in the past.

Fund Requests

Mrs. Wittmann requested funds for the science department to purchase Generation Genuis. This used to be purchased by the district in the past, but this year funding did not allow for it. Mr. Wittmann showed the team the website and all the features of Generation Genuis as well as all the resources available to teachers. The SAC team made a motion and approved to purchase the program. The cost is \$1395.

Mr. Drake requested funds on behalf the 7th grade American history team for “plickers”. He shared how they use the program to gain a quick way for the teachers to assess student understanding as well as a way for the students to demonstrate their understanding on a few simple questions/concepts from the day.

Principals Update

PTSO reached their goal of \$20,000 for the color run. This year’s 8th grade only tent was a success. The PTSO and admin are sponsoring some fun teacher events over the next few weeks.

The PTSO is sponsoring a fall dance on Oct 14th. Finally, the school now has a tik tok to highlight the cool things happening around the school to share with the community.
