

A message from the St. Johns County School District:

Florida Department of Education does not allow districts to provide a virtual testing option for the Florida Standards Assessment (FSA), Florida Standards Alternative Assessment (FSAA), or EOC's for the 2020-2021 school year. According to the state Department of Education, "We are not considering remote proctoring or at-home testing for any of Florida's K-12 summative or postsecondary assessments in 2020-21".

The Florida Department of Education has in the past stated that by statute, "Participation in the assessment program is mandatory for all school districts and all students attending public schools...".

St. Johns County School District does not have the statutory authority to exempt any student from required, state developed assessments, except as specified in Section 1008.212, F.S. which primarily addresses students with physical impairment or children who have a medical complexity as defined in Section 1008.22(9) F.S.
