### **RSV (Returning Student Verification):**

The RSV must be completed in order for your student to have a schedule on the first day of school. Every summer, the School District requires parents to complete the returning student verification (RSV) form online. Parents must complete the returning student verification for each child separately. Parents should have received an email from: [noreplyregistration@powerschool.com](mailto:noreplyregistration@powerschool.com). This will be sent to you each week until it is completed. This must be completed so families may view their student’s middle school schedule on 7/24/24.

### **Rising 6<sup>th</sup> Graders:**

Updated proof of residency must be provided, and the Returning Student Verification (RSV) completed for your student to have a schedule on the first day of school. When you complete the RSV online you can upload proof of residency at the same time. New students to St. Johns County will upload proof of residency when registering.

### **Rising 7<sup>th</sup> Graders:**

7<sup>th</sup> grade students are required to have a Tdap and updated FL680 immunization form on file. Students will not receive a schedule until records are received.
