Back to School Dates:

- 7/22 & 7/23 Student Schedule “preview” in HAC (more info coming soon)
- 8/07 Meet the Teacher **12:15-2:45pm**

RSV (Returning Student Verification):

The RSV must be completed in order for your student to have a schedule on the first day of school. Every summer, the School District requires parents to complete the returning student verification (RSV) form online. Parents must complete the returning student verification for each child separately. Parents should have received an email from: noreplyregistration@powerschool.com. This will be sent to you every two weeks until it is completed. This must be completed so families may view their student’s middle school schedule on 7/22/26.

Rising 6th Graders:

Updated proof of residency must be provided, and the Returning Student Verification (RSV) completed for your student to have a schedule on the first day of school. When you complete the RSV online you can upload proof of residency at the same time. New students to St. Johns County will upload proof of residency when registering.

Rising 7th Graders:

7th grade students are required to have a Tdap and updated FL DH 680 immunization form on file. Students will not receive a schedule until records are received. If you have any questions, please contact Ms. Pelletier 547-8767 Rebecca.Pelletier@stjohns.k12.fl.us or Ms. Sigman at 547-8773 Nicole.Sigman@stjohns.k12.fl.us

Clubs

Pacetti offers a number of afterschool clubs sponsored by teachers. Students will learn about our clubs and how to sign up for them in early September through our morning shows.

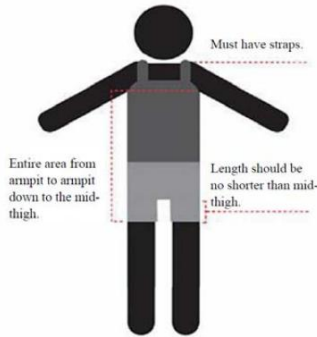

Volleyball & Basketball Teams

Students will learn about volleyball tryouts in August and basketball tryouts in late fall.

Student Dress Code:

Please review St. Johns County dress code policy as you begin back to school shopping. Dress code is enforced. See pg 13-14 [25-26-Code-of-Conduct-FINAL.pdf](#)

Note for girls: Spandex short volleyball/yoga/exercise shorts are popular and are out of dress code. Please save these shorts for off campus events. We ask families to check backpacks for out of dress code change of clothes. Some students change in school after they arrive. 😊

Family/Visitor Access to the School:

Highly Recommended: If you would like access to the school beyond the front office waiting room to conference with the teacher, dean, administration, volunteer at school events, and/or attend a field trip, you must have completed the School Access Form. The approval is good for three years. This is a district policy and there are no exceptions. We do not want to turn families away. Please visit the following link apps.raptortech.com/Apply/OTY00Tplbi1VUw==

Student Cell Phones, AirPods, Headphones, etc..

Once students enter the building, cell phone use is not permitted until the dismissal bell. This includes all wireless devices (AirPods, headphones, etc..). Students are instructed to leave their cell phones and all wireless devices in lockers, backpacks, or home. Cell phones are not permitted in pockets. If families have a dismissal change or emergency, we deliver these messages immediately to the students.

In accordance with House Bill 1105, the use of wireless communication devices by elementary and middle school students is strictly prohibited during the school day.

Learning Distractions

Families, we need your help with something that may give you a little chuckle. Recently, our elementary and middle schools have seen an increase in students bringing toys to school (ie: stuffed animals, squishy toys, and other fun items). They certainly bring some smiles, and in many ways, they're "good problems" to have! At the same time, these toys have started to become a distraction during class and a safety/discipline concern in the hallways. We do ask that these fun items be kept at home. 😊

Family Questions & Communication:

We expect and encourage family questions. Please reach out to your students' teachers first. They are always your first line of communication, they are a wealth of information and will be able to answer most questions and clear up any miscommunications. Our front office will be able to assist with general items.

Parent Square:

Parent Square is our schools and the district's form of electronic communication with families. Notifications will be sent to your email and as text messages. To download the app, adjust settings, and learn more about Parent Square please visit the following site. <https://www.stjohns.k12.fl.us/parentsquare/>

Wildcat Roar:

Our electronic newsletter, The Wildcat Roar, will come out every other week. It will be sent to families electronically through Parent Square.

Transportation:

Students may walk, bike, or dropped off using our car line. **E-bikes must have bike pedals and may NOT be powered by gas.**

- **Bikes** should be locked, and students should always wear a helmet.
- **Bus:** Students who live outside of the 2-mile range will be assigned a bus.
- **Carline :** If dropping off students, families must use the car line. Please make sure to pull all the way up. Students cannot be dropped off in the parking lot. Students will not be allowed to walk across the parking lot. While in car line, students may begin to exit their cars as soon as the sidewalk begins where you see the bike rack. Students must finish breakfast items or drinks (ie Starbucks, Dunkin' etc..) before exiting their vehicle in car line. Morning car line opens at 6:55am. We highly encourage families to arrive early to avoid student tardies.

Bus Information

In May 2025, St. Johns County School District introduced **BusPlanner**, a new online transportation portal designed to give parents easy access to their students' bus information. Parents can access BusPlanner through its web portal or by downloading the companion mobile app called Chipmunk. BusPlanner will also enhance communication by providing timely updates about bus delays and other important transportation-related notifications. In addition, parents can use the system to send messages directly to the SJCSJ Transportation Department. To get started, families should create an account. Please view [instructions showing how to create your BusPlanner / Chipmunk account](#).

Forgotten Student Items & Door Dash/Uber Eats, etc...:

Items accepted at the front office during the school day are limited to: lunchboxes, lunch money, eyeglasses, and emergency change of clothing. Forgotten homework, weekend bags, "Door Dash", etc...will not be accepted.

Clinic & Health Information:

If your student will be carrying non-prescription medication, the following form must be filled out [Self-Administer Over the Counter Form](#) and provided to our nurse. If your student needs or may need prescription medication, the following form must be filled out and signed by a physician. [Prescription Medication Authorization](#) . The prescription medication must be handed to our nurse by a parent. Nurse Lewis will be available during "Meet The Teacher" Aug 7th 12:30-3:30pm at the ticket booth by the gym.

Food items to share with other students (ie: b-day cake, cupcakes, box of donuts, etc..) are not accepted due to student allergies and classroom/cafeteria disruption. If the classroom is having an event, the teacher will organize it and send out an approved list of items. Thank you for your understanding.

Student Absences:

If the student is absent, please fill out the attendance form online. It will be electronically submitted to our attendance office. This can also be found on our website (Attendance Tab) and/or Parent Square. Forms must be turned in 24-48 hours following the absence.

Early Pick up:

If picking up your student early for an appointment or other events, please plan ahead. Students may be picked up early no later than 30 minutes before dismissal (1:20 and 12:20 on Wednesdays).
